

# Verde Canyon Railroad GRAPE TRAIN ESCAPES 2011

*All Wine-tasting trains feature distinctive wines representing renowned wine regions.*

The Verde Canyon Railroad's **Grape Train Escape** is a rolling wine-tasting adventure, a popular summer event now in its 10th year. From June through September, the train "goes grape" on select Saturday evenings during our popular Starlight schedule, 5:30 p.m.-9:30 p.m..

The train glides through a soft twilight as we focus on select wine-producing regions, offering superb pairings with delectable appetizers.

Savor your vino from open-air viewing cars as sunset lures the canyon's creatures to the water's edge of the Verde River. Call to take advantage of this very popular, limited-seating event.
